November 15, 2023

To: David S. Alexander
IDOT

Dear David:

On behalf of the Livingston County Historical Society, I would like to thank you for involving the Livingston County Historical Society in your project planning for the repair of Route 66 from Chenoa to Pontiac.

Myself, and Joyce Nagel (Secretary of the Historical Society) have attended most of the planning meetings you have conducted for this project.

Joyce and I reviewed the status of this project with the Livingston County Board of Directors last night. It was the consensus of our Board of Directors that the Livingston County Historical Society supports the adoption of any of the repair alternatives currently being studied in the planning phase of this project.

Thanks again for involving us in the planning of this project.
